Parking for the Career Fair

Enter the Kansas Union parking garage from the Mississippi St. entrance. Take a ticket from the machine. **When you check in for the career fair on the 5th floor of the Union, you will receive a voucher for your parking.** Use this voucher along with the ticket from the machine when you exit the garage. **PLEASE DO NOT MISPLACE THIS TICKET & VOUCHER.** It is the only way you can exit the garage free of charge. **The parking garage will have volunteers to assist with your displays/materials from 10:00am until 1:00 p.m. on the 4th level of the parking garage.** If you choose, you may unload your display/materials by the door on the 4th floor of the parking garage and proceed to a parking stall. If you rather park at an open spot when you enter the garage, you can take your materials either up to the 4th floor of the garage for assistance, or proceed to the career fair. **Due to limited parking, we are encouraging carpooling.** Because of the fact that all employers might not be able to get into the garage; parking will be valid in the Kansas Union Parking Garage or in lot 94 which is a yellow zone behind the union. Should this happen, there will be a parking attendant to assist with further directions.

**From the Parking Garage**

There is a walkway that connects the 4th level of the parking garage to the Kansas Union. Once inside the Kansas Union, you will be on the 2nd floor; take the stairs or elevator to the 5th floor for employer check-in.
