

# KU SCHOOL OF BUSINESS CAREER SERVICES

## FREE JOB POSTINGS

Part-Time, Full-Time, and Internship and Job postings are always free with [www.HireJayhawks.com](http://www.HireJayhawks.com). Your account will allow you to post jobs and internships, register for career events, complete an organizational profile, advertise events you are hosting, and more.

## CAREER FAIRS

The annual Business and Accounting Career Fairs are held each year in **September**. These events launch our fall recruiting season and are attended by over 150 recruiting organizations and nearly 1250 students annually. These career fairs enable networking and distribution of information among students and employers.

## ON CAMPUS INTERVIEWS

We can handle gathering applications and scheduling for you, then host your interviews in one of our 11 interview rooms in KU School of Business Career Services.

## CAMPUS CONNECTIONS

Let us help you build collaborative relationships with student organizations and faculty departments.

### AVERAGE SALARY STATS

**\$52,217**

### TOP REASONS TO HOLD PRE-SELECT ON-CAMPUS INTERVIEWS

- The best option to optimize your candidate pool with invested candidates that have made a point to specifically apply to your organization
- Allows students optimal time to prepare for interview discussions
- Recruiting policies are in place to discourage no-show's
- Private and professional interview rooms in Capitol Federal Hall with on-site support from Business Career Services
- Business Career Services provides support for developing a strong applicant pool and creating the interview schedule
- Provides students with a convenient location to interview in-between classes saving them time and money for travel

*"It's a pleasure working with the KU Career Services team! They always make me feel like I am the only employer they work with and serve as a great advocate by educating students on all their potential employment options in an unbiased way."*
